

3rd Highly-functional Film Technology Expo

FilmTech JAPAN

1st Highly-functional Plastic Expo

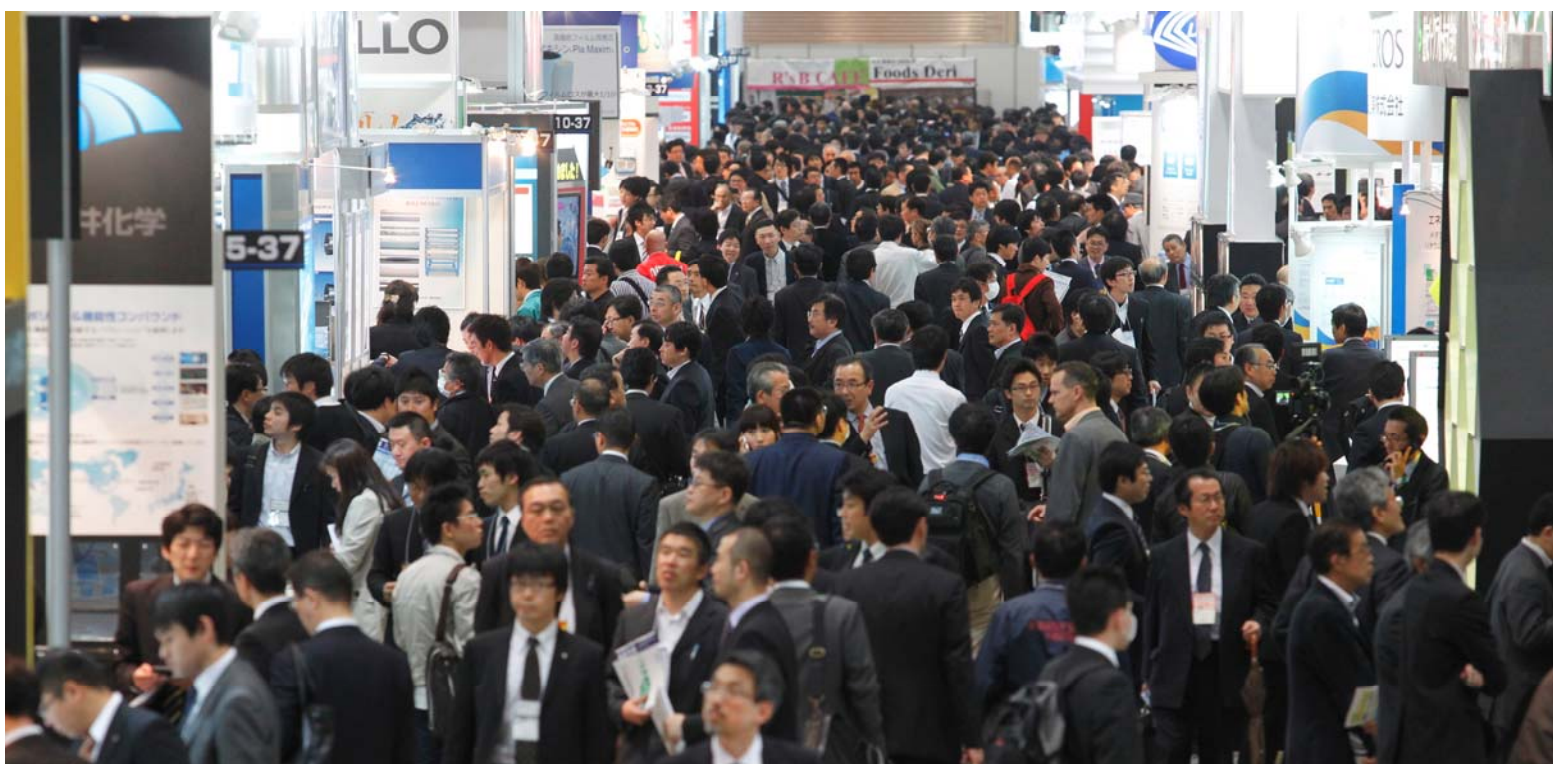

PLASTIC JAPAN

Dates: April 11 [Wed] - 13 [Fri], 2012
Open Hours: 10:00-18:00 (10:00-17:00 on Apr.13)
Venue: Tokyo Big Sight, Tokyo, JAPAN
Organised by: Reed Exhibitions Japan Ltd.

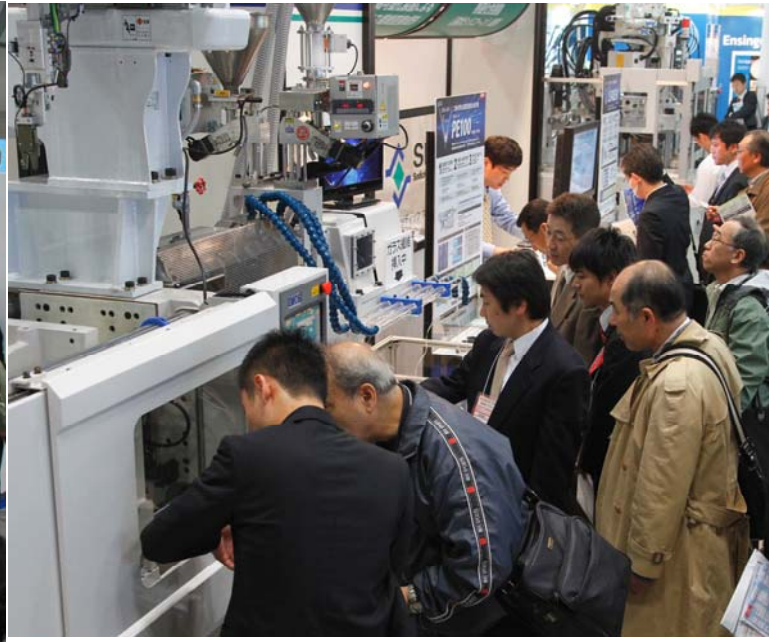

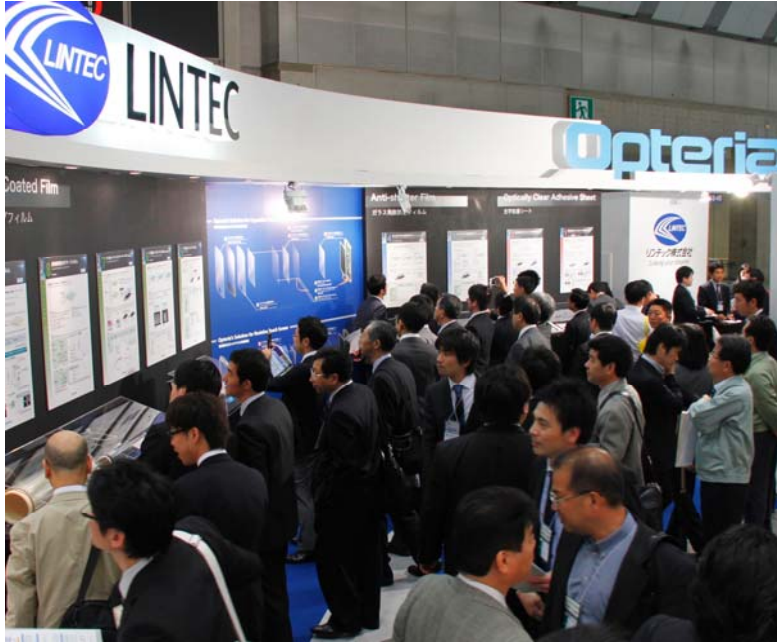

With newly lunched PLASTIC JAPAN,
the exhibitions gathered 600 exhibitors related to film and plastics industries!

The exhibition halls were packed with visitors keen for looking into innovations.

World's leading companies gathered under one roof.

New products/technologies were announced and business meetings were conducted everywhere.

1,300 Industry professionals attended the Keynote Session. They eagerly learned the market and technology trends.
