

The Conference Program is available now!:

10th Highly-functional FILM EXPO (held inside Highly-functional Material Week Tokyo 2019)

FUJIFILM, Dai Nippon Printing, Toray Industries... top leaders will talk about the cutting-edge!

(Pre-registration required, English/Japanese)

Reed Exhibitions Japan Ltd. will hold 10th Highly-functional FILM EXPO (held inside Highly-functional Material Week Tokyo 2019) from 4th to 6th of December, 2019 at Makuhari Messe, Japan.

FILM EXPO this time will take place on the largest scale ever with 1,050* exhibitors, where you can find the latest products, services and technologies in the industry.

*including the number of exhibitors of the concurrent shows in Material Week.

Besides the exhibition, Technical Conference will be concurrently held. This time, there will be 3 Special Sessions which are free to attend, **so any professional involved in the film industry is welcome!**

To attend, online pre-registration is required.

If you are interested in, please don't forget to save seats via the link below before fully booked.
